### 1. Purpose

This pamphlet is published to assist commanders and personnel officers in determining or establishing the eligibility of individual members for campaign participation credit, assault landing credit, unit citation emblems, and occupation duty credit for World War II and for the Korean War.

### 2. Nature of Contents

This pamphlet contains a register of unit citations and of campaign participation credits for World War II and for the Korean War. Incorporated in the register are the following types of information concerning all affected units:

- Campaign Participation Credits
- Assault Landing Credits
- Distinguished Unit Citations
- Presidential Unit Citations (Navy)
- Meritorious Unit Commendation
- Foreign Unit Citations
- Army of Occupation Credits
- U.S. Air Force Outstanding Unit Citations
- Berlin Airlift Credits

### 3. Unit Designations

All unit designations contained herein are the contemporary designations during World War II and the Korean War.

### 4. Arrangement of Register

a. The register is in four parts. The first part lists units numerically.

b. The second part lists certain units alphabetically.

c. These two parts have the same page arrangement, with five columns: Unit, Campaigns, Distinguished Unit Citation, Meritorious Unit Commendation, and a single column for Assault Landings, Foreign Unit Awards, Navy Unit Awards, Occupation Credit and Remarks. Thus, they list all citations and awards indicated in paragraph 2 except the U.S. Air Force Outstanding Unit Award and the Berlin Airlift Credit.

d. The third part lists Army units which received the U.S. Air Force Outstanding Unit Award.

e. The fourth part lists Army units designated as having participated in the Berlin Airlift.

### 5. Miscellaneous Information

Data recorded on the following three types of awards may be incomplete for the reasons indicated. Additional information concerning unit entitlements for these three credits may be obtained from The Adjutant General (ATTN: AGPS-AD).

a. Formerly, awards by field commanders of the Meritorious Unit Commendation were not confirmed in General Orders published by Headquarters, Department of the Army. Therefore, the register reflects only those unit awards which are of record in Department of the Army General Orders.

b. In instances when citations were awarded to detachments or other small elements or to temporary organizations, notes under *Remarks* indicate what additional information may be obtained from The Adjutant General.

c. Credit for occupation duty is recorded in the register only for those units which were in Germany, Austria, Italy, Korea, or Japan at the time of cessation of hostilities. Units which arrived in one of those countries at later dates may not be listed. Verification of entitlement of any unit may be obtained from The Adjutant General.

## 7. How To Use Register

As an illustration, the awards and citations pertaining to Headquarters Troop, 1st Cavalry Brigade are found as follows:

a. The unit is listed on page 5 in the left column, on the third indented line below the entry, "1st Cavalry Brigade."

b. In the second column, the entry "3, 13, 14, 15" tells that it participated in the four campaigns of Bismarck Archipelago, Leyte, Luzon, and New Guinea.

c. In the third column, award of the Distinguished Unit Citation was confirmed in Department of the Army General Orders 33, 1948.

d. In the fourth column, absence of an entry indicates that the unit was not awarded the Meritorious Unit Commendation.

e. In the fifth column, the unit was credited with participating in the assault landing on Leyte, 20-22 October 1944, by War Department General Orders 109, 1946. It also received a foreign decoration, the Philippine Presidential Unit Citation for two periods of service, from 7 December 1941 to 10 May 1942 and from 17 October 1944 to 4 July 1945; service with the unit during either period is qualifying for a member to wear the emblem. This award was confirmed in Department of the Army General Orders 47, 1950.

## 8. Abbreviations

Because of the length of the register, because it is organized in columnar form, and because of the extreme frequency of usage of the terms throughout the register, it was necessary for space saving to use the following abbreviations:

Terms	Abbreviations
War Department General Orders.....	WD GO
Department of the Army General Orders.....	DA GO

Thus, "DA GO 43-50" means "Department of the Army General Orders 43, 1950."
